Sign-In Page

A diagram of a sign-in page layout. It features a large green rectangular background. Within this background, there are two horizontal yellow rectangles stacked vertically, representing input fields for username and password. Below these, there is a single horizontal pink rectangle, likely representing a login button.

Sign-Up Page

A diagram of a sign-up page layout. It features a large green rectangular background. Within this background, there are four horizontal yellow rectangles stacked vertically, representing input fields for account and billing information. Below these, there are three horizontal pink rectangles arranged side-by-side, representing package selection options. At the bottom, there is a single horizontal yellow rectangle, likely representing a sign-up button.
